Overall, Bryn Offa presents a vibrant and well-rounded living experience for its residents.

Communal entrance hall

The communal entrance of the building features a powered front door, providing secure access. Upon entering, there is a staircase leading to the first floor, where this apartment is conveniently situated, ensuring ease of access and added security for residents.

Entrance vestibule

Upon entering through the front door, the space features laminate flooring, offering a practical and aesthetic touch.

A notable feature is the generously sized walk-in storeroom, providing ample storage capacity. Additionally, a partially glazed door from the vestibule leads to the main hallway, creating a seamless transition into the living spaces of the apartment.

Hallway

The hallway, adorned with laminate flooring, sets a modern tone for the apartment. It encompasses essential amenities including a radiator for climate control, an intercom system, and access to the loft space for additional storage options. From the hallway, internal doors open to the inviting living room, well-equipped kitchen, both bedrooms, and the bathroom, enhancing accessibility and flow throughout the living spaces.

Living room

13'4"×11'8"

The living room is designed for comfort and aesthetic appeal, featuring a window that allows natural light to illuminate the space while offering views of the front elevation. A radiator is positioned for optimal climate control, ensuring a cosy ambiance. Adding to the room's charm is a feature fireplace, enhancing the visual appeal and providing a focal point within the room.

Kitchen

10'8"×11'1"

The kitchen offers a functional and well-equipped space for culinary appliances. It is outfitted with an array of wall, base, and drawer units, providing ample storage options. The worksurface space houses a stainless steel single drainer sink unit with a mixer tap and tiled splashbacks. Additionally, the kitchen provides suitable space for a cooker with an extractor hood above, and it's equipped with space and plumbing for a washing machine. A radiator is placed for efficient heating. The Worcester gas combination boiler is wall-mounted, optimizing space usage. The kitchen floor is adorned with ceramic tiles, ensuring durability and easy maintenance. Natural light graces the space through a window facing the rear elevation, enhancing the overall functionality and aesthetic appeal of the kitchen.

Bedroom one

11'10" x 10'6"

Bedroom one offers both comfort and functionality, featuring a radiator for climate control. A window provides natural light and a view of the front elevation. The room also includes a spacious walk-in wardrobe with hanging space and a light, adding to the convenience and organization of the bedroom.

Bedroom two

8'8" x 7'8"

Bedroom two presents a cosy ambiance with laminate flooring and a radiator for climate control. A window graces the room, offering views of the rear elevation and infusing the space with natural light.

Bathroom

5'5" x 5'1"

The bathroom is equipped with a practical three-piece suite, including a panel bath with an electric shower above, a low-level WC, and a pedestal wash handbasin. It features a radiator for temperature control and partially tiled walls, combining functionality with a pleasing aesthetic. The presence of an opaque window facing the rear elevation ensures both privacy and natural light, completing this essential space.
