The destination will be on the right.

ENTRANCE HALL

The property is entered through a UPVC double glazed front door which opens to reveal limestone flagged flooring, a radiator, partially panelled walls, stairs leading to the first floor, and a doorway that leads to the spacious living room.

LIVING ROOM

18'5 x 12'5

The living room boasts a dual aspect design, featuring large windows that face both the front and rear elevations. It is equipped with a radiator and is accessible through a lever latch door that opens to the sitting room.

Additionally, it showcases an exposed brick fireplace with a stone hearth, which houses a cast iron log burner, and is complemented by a distressed oak mantle.

KITCHEN/SITTING ROOM

18'3 x 11 (max)

The combination of kitchen and sitting room is a well-designed space that features a selection of modern shaker style wall, base, and drawer units with decorative handles, a solid beechwood worktop with a one and a half 'V' sink unit with a mixer tap, partially tiled splashback with partial panelling, and space for a range cooker below. The room also includes an extractor hood space above, an anthracite column-style radiator

and plumbing for a washing machine and dishwasher. Two skylights are present in the roof, and the window looks out onto the side elevation. The ceiling contains recessed downlights, and an open throughway leads to the Orangery.

ORANGERY

9'10 x 9'10

The orangery is equipped with a ceramic tile flooring, a radiator, PVC panelled ceiling, and windows that encompass all around the structure. The French doors located at the rear of the orangery lead to the garden.

FIRST FLOOR LANDING

With partially panelled walls and doors off opening to all three bedrooms and the bathroom. There is also access to the loft.

BEDROOM ONE

15'4 x 9'9 (max)

The principal bedroom has two windows facing the front elevation and a radiator.

BEDROOM TWO

13'6" x 8'8" (max)

The second bedroom features a stripped pine lever latch door, which provides access to the airing cupboard. The room boasts exposed floorboards and a window situated on the rear elevation, complemented by a radiator below.

BEDROOM THREE

11'4" x 5'8"

The third bedroom has a window to the front elevation with a radiator below.

BATHROOM

7'4" x 7'4" (max)

The bathroom is designed in an L-shape and features an aesthetically pleasing white suite. The suite comprises an L-shaped pump bath with a centrally located mixer tap and an electric shower overhead, a dual flush, low-level WC, a wash hand basin with a vanity unit underneath, three opaque windows, tiled walls, ceramic tile flooring, and a UPVC panelled ceiling with recessed downlights.

EXTERNALLY

The property features a low brick wall with iron railings and an iron gate that leads to a brick block pathway. This pathway splits into a lawn garden and a gravelled off-road parking space, ultimately leading to the front door and gated side access to the rear garden. The garden itself features brick block pathways and a circular brick block patio area that is surrounded by slate chip and sleepers, with a central lawn garden and paved pathway leading to a second patio area positioned to the rear of the garden. Additionally, an external light water supply is present, along with rear timber access to a covered seating area located to the rear of the garage.

COVERED SEATING AREA

7'8" x 6'8"

Benefitting from wood panelled walls, with decked flooring.

STORAGE GARAGE & WORKSHOP

The workshop space within the property can be accessed through an up and over garage door located at the rear of the property. Equipped with power and light and is accompanied by a single glazed window situated on the side elevation, as well as a single glazed timber panel side door. The workshop area measures 8'5" x 5'2" and is suitable for a variety of uses.
