1 Woodlands Terrace, Froncysyllte, LL20 7SE

Chain Free £161,500

WITH NO ONWARD CHAIN!!! Town and Country Oswestry offer this truly delightful country cottage set in an elevated position with absolutely breathtaking views over the surrounding countryside over Froncysyllte and towards Llangollen, a perfect property for first time buyers. The home has been well maintained and offers two double bedrooms, lounge, kitchen, family bathroom and a cloakroom/ utility.

There is designated tarmacked land providing ample off road parking and a single garage. A summerhouse sits above the property with spectacular views over the surrounding area. An absolute gem of a property in a wonderful location.

Directions

From Oswestry proceed along the Wrexham road and follow signs for Chirk. Proceed through and take the exits towards Llangollen. Continue for three miles into the village of Froncysyllte. Upon entering the village turn left opposite the junction for Trevor and Trevor basin. When turning left follow the road straight up (not back on yourself onto Methodist Hill). Follow this road to the sharp corner and follow it around to the left. Proceed up the hill where the road leads into Woodlands road. Follow the road along where the cottage will be found on the right hand side.

Overview

The property enjoys an elevated position overlooking the adjoining villages and far reaching countryside. There are views towards Llangollen and the famous Pontcysyllte aqueduct. A perfect position for outdoor pursuits and for great walks in the country. The current owner has enjoyed their time at the house but work commitments and family mean a move is necessary. We have also been informed by the current owners that they would consider a lower offer for a buyer who can compete quickly or can purchase with cash. They are also happy to consider leaving furniture as well with items being negotiable.

Information About The Home

There are electric heaters throughout the property, the current vendor uses the multi-fuel burner in the living room as the main heating system. All radiators and the hot water is connected to the stove. The burner heats via a separate pump, which sends the hot water throughout the home, a great way to maintain heat and hot water in the winter months.
