DESCRIPTION

This beautifully presented five-bedroom luxury home with stunning South facing views to the rear, has undergone a program of substantial improvements by the current owners and presents to the highest standard throughout. On the ground floor, the property comprises an entrance hall with an understairs cupboard housing the electrics, Wi-Fi router and solar panel controls, downstairs W.C., living room, downstairs study/snug, open plan kitchen/dining/sitting room and utility room. The first-floor accommodation hosts the landing with loft access, the principal bedroom with a balcony, dressing room and en-suite, the second bedroom with an en-suite shower room, three further bedrooms and the family bathroom. The property benefits from a wide range of modern amenities such as air conditioning, underfloor heating throughout, electric awnings and blinds and a state-of-the-art solar system with battery storage, greatly reducing utility costs. To the front, the property is a predominantly lawned garden with well-stocked flower beds and with ample brick block, off-road parking looking towards a large open front landscaped common area, there is also an oak storm porch frames the front door with a courtesy light inside. There is gated side access along the side of the garage, leading to the private rear garden. To the rear, property boasts from the best aspect of the whole development, with a south facing garden enjoying both the sunrise and sunset. The garden is

predominantly laid to lawn, with five palms positioned. Toward the rear, a large stone flag patio area with external automated awnings over both downstairs bi-folding doors and the balcony above, along with external lighting and water supply. This property also has the benefit of No Onward Chain and is ready to move in.

LOCATION

Pulford lies to the south of Chester City centre and enjoys easy accessibility to the Chester Business Park, being approximately 5 minutes travelling distance, with Chester city centre also being easily accessible. A regular bus route is available to both Chester and Wrexham and links to the A483 and A55 are also close by. The village itself has the Grosvenor Arms Hotel and Spa and pleasant walks can be enjoyed in the open countryside which lies surrounding the property. The Grosvenor Garden Centre and further public houses and restaurants are also a short distance away in neighbouring villages.

ADDITIONAL INFORMATION

The property is serviced by 27 roof mounted solar panels which provides 19 kWh of reserved battery storage. Gas fired central heating powers just the underfloor heating throughout the property and the hot water cylinder is heated by an Eddi device which enables you to use solar power as opposed to the conventional boiler. The property also benefits from UPVC double glazing

and an EPC rating of A. There are six high resolution security camera, with microphones and four external plug sockets.

ENTRANCE HALL

A composite double glazed front door opens to porcelain tile flooring with underfloor heating which runs throughout the ground floor of the property. Stairs off rise to the first floor accommodation with spindle balustrades and below is access to the power source which services the property. Oak internal doors open to the cloakroom WC, the study, the living room and the open plan through kitchen/dining and sitting room.

LIVING ROOM

The living room comprises porcelain tile flooring with underfloor heating, a window to the front elevation, secluded ceiling lighting and featuring a living flame log effect gas fire with a Portuguese stone hearth and fireplace.

POWER SOURCE

OPEN PLAN KITCHEN/DINING/SITTING ROOM

With porcelain tile flooring throughout this L-shaped room with underfloor heating, two wall mounted air-conditioning units, two sets of bi-folding doors with automated blinds opening to the sunny paved patio area. Secluded lighting set within the ceiling, along with recessed downlights. The kitchen area is replete with a range of solid wood, wall, base and drawer units with inset cupboards and drawers featuring marble work surfaces, along with an inset, 1 and a 1/2 bowl, porcelain sink unit with adjustable Quooker mixer tap. Integrated to the kitchen is a Smeg range cooker with extractor unit positioned directly above, a dishwasher, large upright fridge and freezer along with a wine cooler. An internal oak door opens to the utility room.

SITTING AREA
