EXTERNALLY

The property is situated on a fan-shaped plot with a wide frontage, predominantly laid to lawn, featuring a paved pathway and golden gravel off-road parking. Side access leads to the rear garden, which includes a gravel seating area, a lawned section, and two brick-built outbuildings. The first measures 7'5" x 4'5", and the second, which houses the oil boiler, measures 4'5" x 2'9". There is also outdoor lighting and a water supply.

ENTRANCE HALL

10'7" x 9'6"

The property is entered through a composite double-glazed front door, opening into an entrance hall with a radiator and an opaque window to the side elevation. A door leads to the living room, and an open passageway continues through to the kitchen.

KITCHEN

10'4" x 9'7"

The kitchen is fitted with modern grey wall, base, and drawer units complemented by stainless steel handles. Ample work surface space houses a stainless steel single drainer sink unit with a mixer tap. There is space for a cooker with a stainless steel extractor hood above, as well as space and plumbing for a washing machine. A radiator is fitted beneath windows facing both the rear and side elevations. An opaque UPVC double-glazed back door provides access to the garden.

LIVING ROOM

14'9" x 11'8"

This dual-aspect room features windows to both the front and rear elevations, each with a radiator below. Additional features include an under-stairs storage cupboard, new carpeting, and a fireplace housing a cast-iron log burner.

FIRST FLOOR LANDING

With new carpeting throughout, the landing offers access to the loft, a built-in storage cupboard, and doors leading to all three bedrooms and the bathroom.

BEDROOM ONE

11'0" x 9'8"

This front-facing room includes new carpeting, an ornamental cast-iron fireplace, a radiator, and a window framing views of the surrounding hills.

BEDROOM TWO

10'5" x 7'7"

Also featuring new carpeting, this bedroom includes a window to the rear elevation with a radiator beneath.

BEDROOM THREE

9'10" x 8'9"

With new carpeting, a radiator, and a window to the front elevation offering views of the hills.

BATHROOM

9'1" x 4'2"

Fitted with a modern, wide three-piece suite comprising a panelled bath with a handheld shower attachment, protective screen, and wall panelling, a dual-flush low-level WC, and a vanity unit with a washbasin and mixer tap. Additional features include a chrome heated towel rail, a rear-facing window, and a ceiling-mounted extractor fan.
