DESCRIPTION

Situated in the heart of this highly desirable village, offering convenient access to both Wrexham and Chester as well as local motorway links, amenities, and day-to-day facilities just a short stroll away, this extended semi-detached home offers far more space than first meets the eye. The property benefits from UPVC double glazing, gas central heating, and a large rear extension, creating generous family accommodation arranged over three floors.

LOCATION

Newtown is a quiet residential street in the popular village of Gresford, known for its friendly community, attractive green spaces, and convenient access to Wrexham, Chester, and major transport links. The area benefits from good local schools, shops, and other everyday amenities.

ENTRANCE HALL

8'10" x 6'10"

Entered via an opaque UPVC double-glazed front door, the hall features ceramic tiled flooring, a turned staircase leading to the first floor, and a decorative stained and leaded display window to the living room. There is also a side window, an archway leading to the kitchen, and a light oak veneer door opening to the dining room.

LIVING ROOM
