Smithfield Green, Holt, Wrexham

£475,000

Extended from the original building constructed in 1878, this detached, light and spacious property enjoys a position overlooking the green within the highly desirable village of Holt and is offered with no onward chain. Benefiting from oil-fired central heating and UPVC double glazing, the accommodation comprises an inviting entrance hall, a spacious living room with open fire, a kitchen/breakfast room with adjoining dining room and patio doors to the rear garden. A side passageway provides access to a cloakroom WC, utility room and annex. The first-floor accommodation includes four double bedrooms and a modern three-piece shower room, with the principal bedroom benefiting from an en-suite WC and wash hand basin. The annex, accessed from the rear garden or side passageway, has its own kitchenette and en-suite shower room. Externally, the front of the property offers off-road parking in front of the garage and a lawned garden with stone boundary wall. The rear garden is generously sized, with two paved patio levels, lawned areas, a large timber shed, and covered storage.

DESCRIPTION

Fir Tree Cottage is a detached property situated on Smithfield Green in Wrexham. The accommodation includes an entrance hall, living room, kitchen/breakfast room, dining room, utility room, cloakroom WC, four bedrooms, a shower room, and an annex with kitchenette and shower room. Externally, the property benefits from off-road parking, a garage, and front and rear gardens. The property is offered with no onward chain.

LOCATION

Smithfield Green is situated within the village of Holt, a well-established and popular location offering a range of local amenities including shops, public houses, and a primary school. The area benefits from good road links to Wrexham and Chester, making it suitable for both local and commuting residents. The surrounding countryside and nearby river walks provide additional recreational opportunities.

EXTERNALLY

Directly to the front of the property is a lawned garden with stone raised shrub planters and a stone boundary wall. Off-road parking is positioned to the front of the garage, with timber gated access to the side storage space. The rear garden is of generous proportions, featuring dual-level paved patio areas, outside lighting

and water supply, a lawned garden, and a timber storage shed (23' x 7'6") with power, lighting, and a UPVC double-glazed window overlooking the garden. There is also a covered storage area positioned to the rear.
